## **ANNUAL STUDENT STANDARD OF CONDUCT 2024-2025**

(To be completed annually, by students in grades 6-12)

Student's Name (Please print) \_\_\_\_\_

As a Christian school we have standards and expectations of our students. We desire to see our students grow in godliness and spiritual maturity during their time at Grace Christian School. We understand that outward behaviors do not always indicate a student's spiritual life. At the same time the Bible admonishes us to produce fruit in accordance with the life that is within us.

Students and parents need to be aware that students can be disciplined for out of school behaviors that are not in keeping with the standards and expectations of Grace Christian School. Such behaviors include but are not limited to: Use of alcohol or illegal drugs, vaping, encouraging or engaging in sexual activity or conversation, shoplifting, battery or assault, inappropriate threats, badgering, bullying, inappropriate use of social media, etc. The school does not wish to set a penalty ahead of time but prayerfully takes each instance under consideration to determine the course of action that will be best for the school and the student. Possible penalties include in-school suspension, out of school suspension, and expulsion. All disciplinary decisions made by administration may be appealed to the GCEA board.
