Christian Service Time Log (continued)

In order to help teach students to “impact the world for Jesus Christ” we require ½ hour of Community Service per corresponding grade level (ie:10th grade will serve 5 hours and 12th graders will serve 6 hours) from all high school students per quarter. This time can be completed all at once or in shorter increments, but must be completed by the last day of each quarter.

Students are responsible for arranging their own service projects which are to be free of compensation and should benefit others in need (excluding family members). Service must be done outside of school hours.
