News

Beginning this month, a salad bar will be offered to **5th grade & secondary students only**. The salad bar will be the same price as the entrée. Please indicate by checking the line next to "salad bar" option if your student would prefer to have salad bar for lunch. If your student takes both entrée and salad bar, the cost will be double.

Fresh fruit and vegetables will be offered as sides daily.

Please check the line next to the entrée your student will be having, as well as the drink line if they are taking a drink as well.
