DECEMBER 20 - JANUARY 6

CHRISTMAS BREAK. Today is the last school day of 2024! The staff at GCS prays that you will have a safe and blessed Christmas break as we celebrate the coming of our Savior and look forward to His 2nd coming! School resumes for students on Tuesday, January 7th.

THANK YOU! Our GCS families have been very generous to staff this Christmas, both in gifts and time. Mrs. Moore is also very thankful to the students that helped with the baking for the Bake Sale.

A NOTE FROM THE FINANCE OFFICE: During Christmas Break we will be sending invoices to anyone who is 60 days behind in tuition. In order for your child to return to school on January 7, you will need to be fully caught up on your payments. If you have a question, we will be checking our emails during break and will respond.

THRIFT STORE HELPERS. School will be closed, but the thrift store will be open and welcoming to all who would like to volunteer! The store will be closed on December 24-25 and January 1st, but will maintain normal hours otherwise. This is an excellent opportunity for families that are benefiting from the Thrift Store Scholarship to work as well.

7TH-11TH GRADE BAND MEMBERS: The first deposit of \$60 is due on January 10 for the ACSI Music Festival.

AUCTION HELP NEEDED. Many volunteers are needed to make this a successful fundraising event. Please contact [Rebecca Dill](#) today to find out how you can “Spring into Auction” with us! Also, keep the Auction in mind if you see any good after Christmas sales!

GCEA SPECIAL MEETING. As a follow up to the “State of the School” letter that was sent out, the Board decided at the December meeting to schedule a special GCEA meeting to continue communicating changes coming to our school. Please plan to be a part of the conversation on Tuesday, January 21 at 6:30 pm.
