

CURRICULUM

Our elementary program builds a strong academic foundation with a focus on phonics, problem solving, and critical thinking to prepare students for success in secondary school and beyond. At the heart of every classroom is a Christ-centered, biblical worldview that shapes both teaching and learning. Our dedicated educators bring lessons to life using engaging instruction and trusted faith-based curriculum from Abeka and BJU Press. These well-respected resources are age-appropriate, academically rigorous, and proven to help students thrive both spiritually and intellectually.

CHRIST CENTERED EDUCATION FOR LIFELONG IMPACT

ABOUT US

For over 50 years, Grace Christian School has equipped students for a life of purpose through Christ-centered, academically excellent education. Our academic programs are rooted in a biblical worldview and designed to challenge and inspire students at every level. Our whole-child approach nurtures spiritual, academic, and personal growth - offering even our youngest learners opportunities for leadership, service, and character development. As we look to the future, we remain steadfast in our commitment to cultivating a Christ-centered community where each student is known, loved, and encouraged to grow in faith and flourish in God's calling for their life.

ROOTED IN TRUTH

We believe education is about more than academics - it's about shaping the whole child. That's why a biblical worldview is at the heart of everything we do. Students are encouraged to see God's truth in every part of their learning and daily experience. This Christ-centered foundation helps them grow in character, wisdom, and purpose as they develop both spiritually and academically.

"Train up a child in the way he should go; even when he is old he will not depart from it."
Proverbs 22:6
