

ABOUT LMC

GCS currently partners with Lake Michigan College (LMC) in Benton Harbor to provide dual enrollment classes to our upper-classmen for advanced classes or early college credit. Classes are offered on Lake Michigan College campuses as well as online. Students must successfully pass placement tests provided by LMC and have at least a 2.5 GPA. Some courses may have prerequisites. Transportation is the responsibility of the student and/or parent.

ABOUT VBT

Van Buren Tech (VBT) is a Career and Technical Educational (CTE) school in Lawrence, MI that offers hands-on learning experience through 25 CTE programs. Students must be an upperclassman with at least a 2.0 GPA to pursue this option. Some courses may have prerequisites. Transportation is the responsibility of the student and/or parent.

INTRODUCING PERSONALIZED EDUCATION

For over fifty years, Grace Christian School has equipped students with a rigorous, college-preparatory education grounded in a biblical worldview. As we look to the future, we are excited to introduce new programs to serve a broader range of students. Whether preparing for college or planning to enter the workforce after graduation, students will find a place to belong at GCS. Our hybrid approach blends self-paced, digital learning with the student interaction, community, in-person support, and engagement opportunities of traditional education. We now offer three distinct academic tracks, allowing students to customize a path that best fits their goals and aspirations.
