

ABOUT US

For over 50 years, Grace Christian School has prepared students for ministry by providing an excellent education grounded in a biblical worldview. As we look to the future, we're excited to introduce new programming for our junior high. Our hybrid model now delivers trusted Christian curriculum from BJU Press in a digital format with in-person support. We've designed our schedule to maintain the student interaction and engagement opportunities junior high students need, ensuring a balanced educational experience that is not exclusively screen-based. Throughout the school day, students are supported academically, spiritually, and socially.

GRACE CHRISTIAN SCHOOL

JUNIOR HIGH

VISION

To cultivate young minds to thrive academically, spiritually, emotionally, socially, and athletically through Christ-centered excellence. We aim to be a life changing community where, beginning at Pre-k and continuing through twelfth grade, students are nurtured to become compassionate leaders, critical thinkers, and lifelong learners. Rooted in the truth of God's Word, we aspire to cultivate a generation fully equipped to positively impact the world with unwavering faith, integrity, and a passion for serving others.

MISSION

Inspiring students to impact the world for Jesus Christ through an excellent educational experience from a biblical worldview.

We could not be any happier with Grace Christian School. We toured and knew immediately that this was the answer that we had been praying for. In a scary world of uncertainty, I am SO blessed to send my daughter to a school that is literally a beacon of Christ's love and care. I drive my daughter every day and leave with complete faith in a staff that loves and cares for her, physically, mentally, academically, and especially spiritually.

- GCS Parent

Grace has been such a place of hope for our family. Bringing our kids here has really improved our lives. They have an exceptional staff. If you are considering new options for you kids, please come out to the school, it's worth the trip to see it for yourself.

OUR SERVICES

- ✓ Digital Instruction With Whole Group Facilitation
- ✓ In-Person Bible Classes
- ✓ In-Person Elective Options
- ✓ Sports Opportunities
- ✓ Weekly Chapel
- ✓ Christian Service Outings

EDUCATION REIMAGINED

Our middle school classroom provides the benefits of digital learning while preparing students for a smooth transition to our high school program. Course content is delivered online with in-class support from our facilitator. Students learn to navigate digital instruction while having the security of real time support and accountability in the classroom. Successful completion prepares them for long term success in our more independent high school classrooms.
