GRACE CHRISTIAN SCHOOL

DISCOVER THE GRACE DIFFERENCE

PRESCHOOL (3 AND 4)

Even our youngest students can begin learning to see the world through a biblical worldview and live according to that knowledge. Our classrooms offer your child a safe and nurturing place to learn, make friends, and practice independence!

ELEMENTARY (TK-6)

Our elementary curriculum sets students up for success as they prepare for secondary school. Our young learners are taught problem solving and critical thinking skills through the lens of a biblical worldview.

JUNIOR HIGH (7-8)

Our junior high students continue their journey of academic excellence and spiritual development through a hybrid program of guided digital instruction and in-person Bible classes and electives.

HIGH SCHOOL (9-12)

Our high school students customize a hybrid program that allows them to work at their own pace. In addition to digital instruction, students can stack dual enrollment, votech, electives and sports as their schedule permits.
