an excellent educational experience from a Biblical worldview.*

WIRELESS USAGE POLICIES

Wireless networks are available for GCS staff and students and should be used for school purposes only. Software or other devices used to bypass the school's internet filters are prohibited. The owner of the device is responsible for any misuse of the network caused by the owner's device. The school is not responsible for any damage that is done to the owner's device while on school property. Also, GCS is not responsible for maintaining equipment not owned by GCS. Any unnamed devices will be booted from the network. Students must remain on Student Wi-Fi.
