## THE INSTITUTION OR THE FAMILY

Grace Christian, from its inception, has sought to work alongside families; it's in our founding documents, **The Primacy of the Parent-Child Relationship**. And yet, in that context, parents trust the school with authority to give their child a Christian education. Grace has always been small and intimate. Our school feels more like a family than it does an institutional school. There are challenges walking the line of familial flexibility and institutional professionalism.

The month of February is often associated with love as our culture recognizes Valentine's Day. The Scripture has much to say about love, and love is the means by which there is unity in the Christian church (Romans 14 & Philippians 2).

The Bible is not an exhaustive rulebook. Jesus and the apostles laid out principles by which we are to live. A lot of times we look for the will of God in the Scripture and hope to see God say, "You are to live here, you are to marry this person, you are to work there," and we are disappointed when we do not find it. We often find ourselves crying out, "Oh Lord, send me an email or text message!" when we seek direction from Him.

The early church hotly debated significant spiritual issues. What is interesting is that Paul addresses them in Romans 14 and he **does not** pick a side. He lays out principles for unity even in the context of significant well-argued disagreements from both sides. **To be a Christian does not mean that we always agree**, but that we always have the freedom to lay aside our rights for the benefit of others. We "*pursue the things that make for peace.*" *Romans 14:19*

Grace Christian is an expression of many churches and families coming together to provide a Christian education. As a likeminded and yet diverse group, we have had to establish norms for all of us to operate under to provide a legitimate education. We have always tried to walk the line between Christian freedom and legalism. Our school has established rules for behavior, dress code, acceptable music, attendance, snow days, and many more - of which, few are expressed in scripture. If we would ask each family how they would write these norms we would find that we would have as many different norms as we have families.

Our history has included legalism and with little antinomianism (without rule). Each year we evaluate what we do and ask in the current time and culture, "Do our norms help us with our mission to inspire students to impact the world for Jesus?" That's why handbooks change. The problems we encounter change. Our families come with varying degrees of embracing Christian liberty.

It is good to be reminded that the administration and staff at Grace are sinners saved and redeemed by the grace of God. We have not finished the process of sanctification. It is also good to remember regardless of how cute they are or how much you love your children, they too are sinful little creatures that need the redeeming work of God, as well as their parents. Well, let's say **we all do** and sing the children's song, "He's Still Working on Me" together!

Just so you know, nowhere in the Scripture does it say that life is easy. Jesus said to his disciples, and as an extension to us, that "*You will have tribulation, but take courage; I have overcome the world.*" *John 16:33*

## GYM ROOF STATUS

Our gym has been with us for about 30 years and we have had trouble on the South side building up ice and causing melt to back-up and leak into our gym. Over the course of these three decades many solutions have been applied to the system. Each one with its own merit and improvement. With the excessive amount of snow and perpetual cold our roof developed a healthy ice dam that was not healthy for our roof. Once water began to leak into the gym we were on the roof removing future melt and began to address the ice itself should another snow fall come. This is not good for any roof. Our roof is about 20 years old and it looks much older.

We will not shingle the roof again. We look to install metal and our bid from last year was about \$163,000. We are open to creative solutions; doing it in sections. We are open to doing the work ourselves. I know that we have missing shingle fragments and exposed nails that will need to be addressed as soon as possible. If this is an area of interest or expertise and you want to help with the solution please let me know.

## PARENTS

### MID-WINTER BREAK

There will be no school Friday, February 13 - Tuesday, February 17  
*Staff will report to school on Tuesday for an Inservice Day.*

### PROGRESS REPORTS

Quarter 3 Progress Reports are now ready to view in your FACTS Family Portal.

### ILLNESS REMINDER

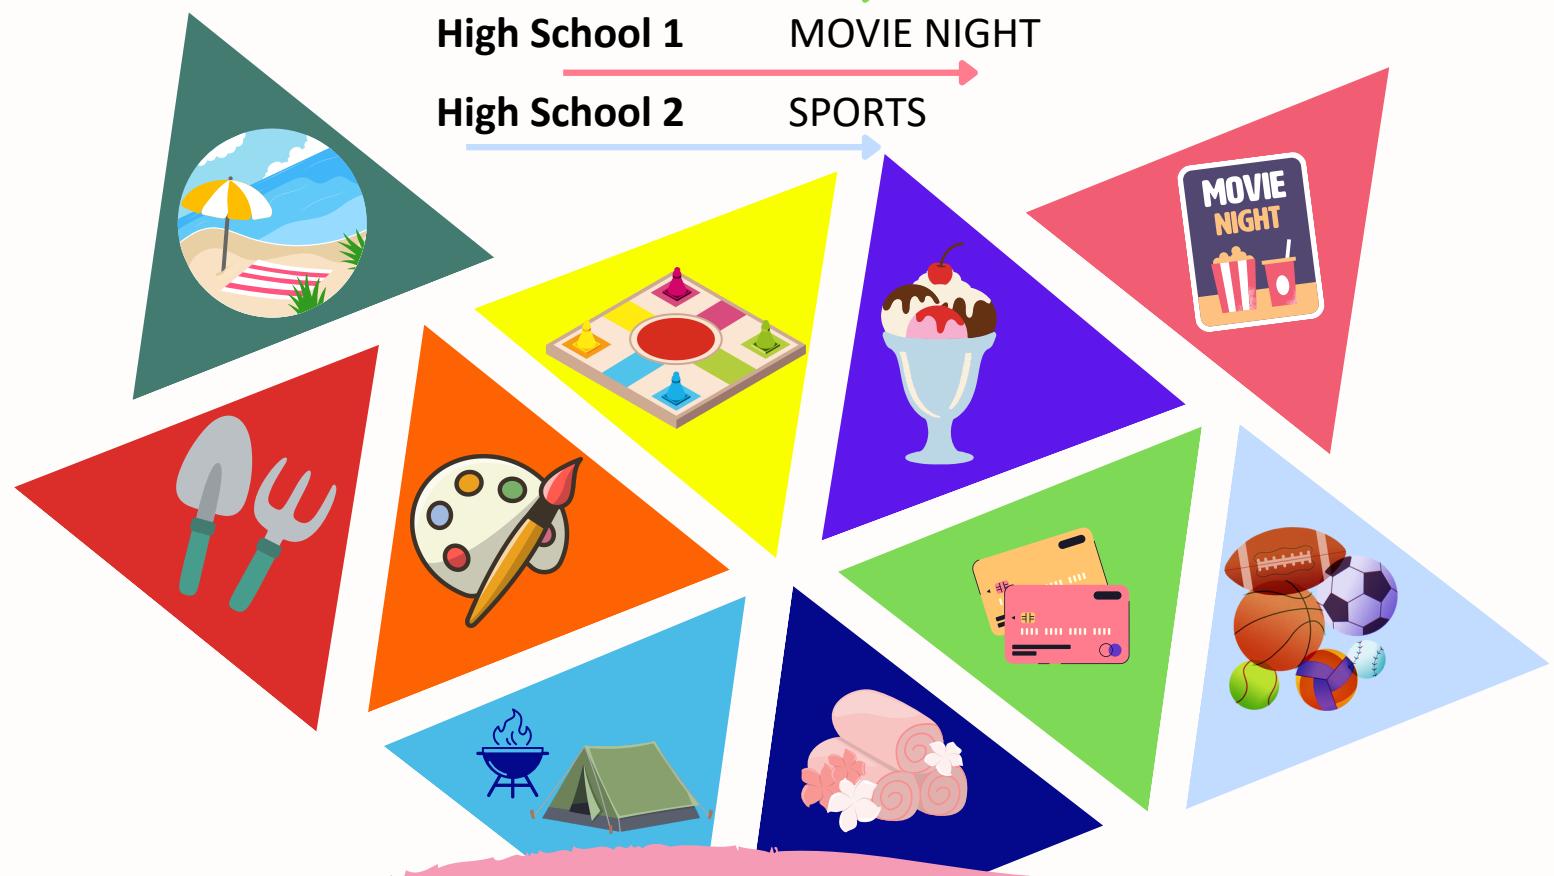

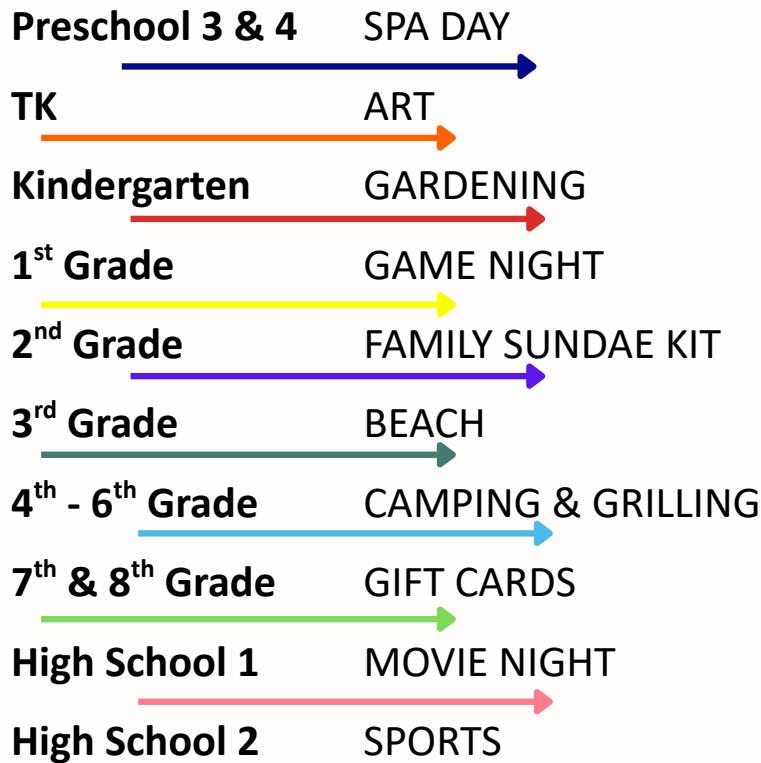

Parents, just a gentle reminder not to bring your child to school if they have experienced a fever, vomiting or diarrhea within the previous 24 hours. These symptoms must cease on their own, without the aid of fever-reducing or preventative medication, for a minimum of 24 hours, before the child returns to school. While the ability to completely control the spread of illness within our building is impossible, this is one step that we can take to help during the cold and flu season.

## AUCTION DONATION

The Annual Benefit Auction is scheduled for March 21. As with every year, we are asking families to help by bringing in donation items for class auction baskets. Below, basket themes are listed by grade level. Thank you for your prayerful consideration to give toward our biggest fundraiser of the year!

# PRAYER & PRAISE

- A GCS teacher is on dialysis and is in great need of a kidney transplant from a living donor. Please join us in praying for God's provision in His perfect time. If you'd like to find out if you could be a donor, please send an email to [info@gcspatriots.com](mailto:info@gcspatriots.com).
- Please also join us in prayer for GCS Parent, Jade Dockham, who is recovering from open heart surgery and expecting a child to be born early.

## PARTNER WITH OUR STUDENTS!

Our Guatemala Mission Trip is quickly approaching, and we are seeking faithful donors to walk alongside our students through prayer and generous support.

This March, our juniors and seniors, along with dedicated staff and parents, will travel to San Raymundo, Guatemala for our biannual international mission trip. This is more than a trip; it is a cornerstone of our school's ministry and a life-shaping opportunity that ensures every GCS student can graduate having served Christ beyond our borders.

Once again, we are partnering with Casas por Cristo, a Christ-centered organization devoted to serving families in need through home-building projects. Our team will work side-by-side with a local family, their pastor, and Casas staff to build a safe, permanent home, meeting physical needs while sharing the hope of the Gospel in a powerful, tangible way.

The trip is becoming very real! Passports are in hand, flights are booked, and the team's excitement is growing as we prepare to serve in Christ's name. With departure approaching, we urgently need financial partners to help fully support each team member.

## HOW CAN YOU HELP?

Each participant is actively raising funds, and we are seeking donors who will help make this mission possible. Whether you feel led to support a specific student, a staff member, or the team as a whole, your generosity directly enables students to serve, build, and share Christ's love.

If you are willing to partner with us through financial support, please contact [lcolford@gcspatriots.com](mailto:lcolford@gcspatriots.com). Every gift, large or small, makes an eternal impact.

A full team list is included below. Please continue to watch for updates and prayer requests in upcoming Impact editions.
