QUARTER 1 REPORT CARDS. TK - 12th Grade parents, you may now view your child's Quarter 1 Report Card in the *Student* section of your FACTS Family Portal. Secondary Parents, please remember that only in-person classes are included on this report card. Grades for online classes are available through your Ignitia parent portal or by having your student log in to Ignitia and show you their current grades. At the end of second quarter, when students have completed their first semester of online coursework, those semester grades will be recorded and included on the report card sent home at that time. Staying informed about current grades, completed assignments, and any work that may be falling behind is an important part of helping your student stay on track.
Thank you for your continued support and partnership!
